LED STEER OR HEIFER ON HOOK

Judging: Judging for the hook section will take place on Friday 25th October.

This will be at Teys Bros Naracoorte using the MSA grading. The same grading that is used on their Grass-fed Steer Competition.

Tey's Bros will purchase bodies at the current grid price.

Steer weight and categories – live – divided up according to numbers into lightweight and heavy weight.

Steers judged on the hook specifications:

	Weight (kg)	P8 Fat	Rib Fat
Lightweight	<280	6-12	4-9
Heavyweight	>280	9-17	7-12

Hoof and hook results will be combined to determine the overall placing.

Champion Steer or Heifer on hook and Champion Steer or Heifer on hoof and hook will be presentation at the Teys Southern Grassfed Classic Dinner as mentioned previously. Schools will be notified of the date and venue following the show.

We would like to thank Teys for their ongoing support of the Led Steer or Heifer competition.
